

Acromat Online Shop for Resellers

To our Resellers,

The Acromat Online Shop now allows resellers to order on account.

The system allows a reseller to,

- Quickly quote prices

- Calculate Door to Door shipping prices

- Calculate resellers discount

- Calculate GST

- Place orders on Account

The shipping is Australia wide and once orders are placed you will receive an email confirmation.

This document is a guide for resellers. It shows how to apply to become an account holder and how to place an order on account.

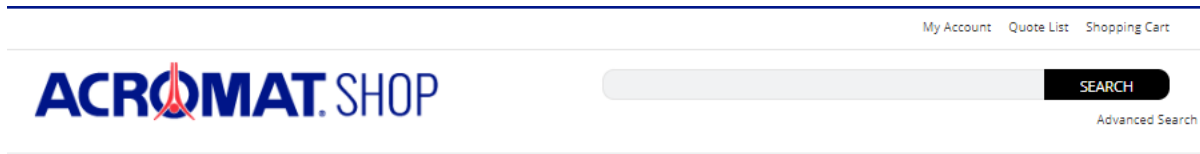

Kind regards,
